HASTING FILTROS

La línea más completa de filtros para aire, aceite, combustible, hidráulicos y filtros especiales

Desde 1981, la Planta Industrial de Filtros Hasting, ubicada en Resistencia, ciudad capital de la Provincia del Chaco, en el Noreste de la República Argentina.

Produce filtros que cubren las necesidades de las líneas pesada y liviana, para automotores, camiones, maquinarias agrícolas y equipos para obras viales, tanto nacionales como importados. Siendo una constante el desarrollo de filtros especiales.

Los Filtros Hasting, hechos con materia prima de calidad, se encuentran a la altura de las más altas exigencias de la mecánica actual.

Las modernas instalaciones industriales, dotadas con adelantos tecnológicos de primer nivel, maquinarias de alta tecnología, junto a mano de obra especializada, nos permiten ofrecer filtros de máxima calidad y rendimiento.

Nuestros operarios reciben una capacitación permanente que nos permite asegurar un nivel estable en nuestros productos.
